October 2020

Dear Neighbor,

This has been a year like no other in recent history. The Covid-19 pandemic has dramatically impacted all of our lives: our economy, our mobility, our activities and our community, especially its youth. Our Amherst Youth Foundation (AYF) 2020 programs and fundraising efforts have been severely compromised.

In anticipation of returning to normal operations in 2021, the Foundation has established a fund-raising goal of \$35,000 for the year to support our youth events (e.g., Middle School Nights) and other programs and initiatives.

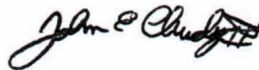

Your support of our AYF Annual Appeal is more important than ever. We ask you to thoughtfully consider a generous donation to the Appeal. We invite you to read the enclosed materials and visit our website (www.amherstyouthfoundation.org) for more information on our programs, donating on-line, or becoming an event sponsor.

We hope that you will enthusiastically support the AYF and its mission to positively impact the youth of the Amherst community. Please return the enclosed pledge form with your tax-deductible gift or, if you prefer, donate through the website. You will receive an acknowledgement letter for your records. Every donation, regardless of size, makes a difference.

Thank you in advance for your generosity in these difficult times, and for your commitment to the youth and families of Amherst. The AYF wants to continue to make a positive impact on the growth of our youth. You, our caring neighbors and supporters, play a big role in this effort. This year, we need you more than ever!

Best Regards,

Very sincerely yours,

John Chudy

"One hundred years from now, it will not matter how much money you made, what kind of car you drove, what kind of clothes you wore, or how big your house was. What will matter, is how you made a difference in the life of a child."
